

Dear Verrado Homeowner,

In compliance with Verrado's governing documents, the Verrado Assembly and Verrado Community Association, Inc., produces an annual governance package to share with all Verrado homeowners. Enclosed – and also available on verrado.net – please find copies of the following:

- 1) 2012 Budget Notification
- 2) 2012 Budget Summary
- 3) 2012 Verrado Governance Overview
- 4) 2012 Assessment and Fee Schedule
- 5) Noncompliance Enforcement Guidelines

In addition, the Community Association wanted to share some additional details about two fee changes noted in the Verrado Community Association, Inc., & Verrado Assembly 2012 Assessment and Fee Schedule:

- **Rental Setup Fee:** Effective January 1, 2012, homeowners that rent their Verrado home will be charged \$100.00 for each new lease agreement (no retroactive charges). Following best practices in community management and in accordance with Verrado's governing documents and Arizona state law, these renter fees ensure that the Verrado Community Association, Inc., has current records for all residents in order to protect the assets of the community and engage with residents about community news and events.
- **Retroactive Design Review Application Fee:** Effective January 1, 2012, homeowners who do not adhere to the Community Association's Design Review process for exterior home modifications are subject to a \$250.00 Retroactive Design Review Application Fee that may be removed if the approved modifications are made within 30 days to meet Community Standards.

It is the goal of the Verrado Community Association, Inc., to work in partnership with residents to protect Verrado's unique Community Standards. Currently, Design Review is a free and mandatory approval process for residential homeowners that want to change or modify the exterior of their home. Established to ensure the character of Verrado remains true to its vision, and to maintain consistency in the quality of improvements within Verrado, Design Review requires prior approval of the Design Review Committee, as outlined in the Charter, before any exterior changes or modifications are made. This includes, but is not limited to, the addition of structure(s), modification of front-yard landscaping (and back-yard landscaping for lots with view fencing), for example, sunscreens, painting, security and screen doors, and solar systems.

To submit a Design Review Application in advance of exterior home modifications, visit verrado.net and select the *Apply to Modify Your Home Exterior* Quick Link.

For any questions regarding the information enclosed in this correspondence, please contact the Verrado Community Association, Inc., at communityassociation@verrado.net or 623-466-7008. We also invite you to join us at the Verrado Community Association, Inc. Annual Membership Meeting slated for March 2012; date TBD. Please visit verrado.net for Annual Meeting details and to RSVP.

By order of the Boards of Directors,
Verrado Assembly & Verrado Community Association, Inc.

Verrado Assembly & Verrado Community Association, Inc.
Notice of 2012 Budget
Frank Residential Neighborhood Special Service Area
November 15, 2011

Annually, the Boards of Directors for the Verrado Assembly and the Verrado Community Association, Inc. prepare a budget for the upcoming fiscal year and set an assessment level to meet the fiduciary requirements of the Assembly and the Community Association, ensuring that operating expenses and reserve allocations are adequately funded in accordance with Chapter two of the Verrado Community Covenant and Chapter twelve of the Community Charter.

Enclosed – and also available on verrado.net – please find a copy of the 2012 budget. The 2012 budget reflects the Assembly and Community Association’s efforts to continue to responsibly and sustainably manage our resources, prioritizing protection of Verrado’s long-term vision. This includes the Community Association’s priorities for maintaining our distinguishing community features such as community parks, common areas, and tree-lined streets; it also includes the Assembly’s priorities for supporting our unique community programs such as community events, leadership programs, and club and group activities.

In that spirit, the Boards of Directors have found it necessary to set the Assembly base assessment to \$20.00, and to set the Community Association base assessment to \$94.00; the Frank Residential Neighborhood Special Service Area assessment is set at \$85.00. In addition, the separate, mandatory Telecommunications Fee is \$40.99* for a total monthly amount of \$239.99 per month.

Please remember: Assessments are due in full on the 1st of each month; late charges will be assessed after the 15th of the month. If you use an Online Bill Pay service with your bank or credit card, please adjust the withdrawal amount for your monthly assessments beginning January 2012 (and please confirm your account number and mailing address ensuring proper and timely payment). You may pay for the entire year in advance by submitting payment in January; there are no discounts available for full-year payments.

The Verrado Assembly and Verrado Community Association, Inc., offer homeowners secure and convenient opportunities to access your account and to make assessment payments online, including scheduling recurring and making one-time payments. For details, visit verrado.net and select the *Assessments* option from the *In My Home* navigation menu.

In 2012, DMB Associates, Inc. will continue to prudently manage its business to meet the ongoing and changing needs of the market. DMB remains committed to moving Verrado forward for long-term success. The Assembly and Community Association staff is well positioned to support Verrado’s community life for a sustainable, legacy community.

By order of the Boards of Directors,
Verrado Assembly and Verrado Community Association, Inc.

*The separate, mandatory monthly Telecommunications Fee for Cox High-Speed Internet – a special discount rate for Verrado – is a pass-through fee facilitated by the Community Association. Telecommunications Fees are determined by Cox Communications, and in accordance with Verrado’s governing documents, fee increases are passed directly to residential property owners.

2012 VERRADO® GOVERNANCE OVERVIEW

Verrado is a community defined by its extraordinary setting and by the people who live in and care for this special place we call “home.” As neighbors, we share a common vision to be part of an authentic community that enhances our quality of life, today and in the future. Achieving our shared vision for Verrado is assisted by two distinct, yet complementary nonprofit entities, Verrado Community Association, Inc., (the “Community Association”) and the Verrado Assembly (the “Assembly”).

VERRADO COMMUNITY ASSOCIATION, INC.

The Community Association preserves Verrado's special community landscapes and unique neighborhood settings by ensuring that community standards are maintained for an enhanced quality of life. Please contact the Community Association for questions and suggestions about community life, including: governance and operations issues, assessments and fees, landscape and general maintenance of community common areas and parks, community guidelines including compliance issues and design review applications.

The Community Association is responsible for the maintenance of the following common areas unique to Verrado: major thoroughfares and parkways, various common areas, path and trail system, natural washes, neighborhood and district parks within Verrado, and landscape tracts funded by the Verrado Community Facilities Districts (“Verrado CFDs”). For more information on CFDs refer to the *CFD Statement*.*

Governed by a Board of Directors, and overseen by a Community Operations Manager, the Community Association's responsibility is to enforce the *Community Charter* (the “Charter”).* The Charter establishes a flexible system of standards and procedures for the overall development, administration and preservation of the residential portion of Verrado. All residential property owners are members of the Community Association.

VERRADO ASSEMBLY

The Assembly strives to enhance the quality of life for Verrado residents by fostering unique and outstanding opportunities for social and civic engagement that facilitate shared experiences and lasting traditions. Please contact the Assembly for questions and suggestions about community life including: events and activities, programs including Verrado Leadership® and Verrado Youth Leadership®, clubs and groups, park reservations, volunteer and philanthropic opportunities, and verrado.net and other communications tools.

Governed by a Board of Trustees, and overseen by an Executive Director, the Assembly administers the *Covenant for Community* (the “Covenant”)* – a comprehensive plan for fostering a unified sense of belonging, inclusiveness and pride of place in Verrado.

ASSESSMENTS AND FEES

The Community Association and the Assembly are funded by a predetermined mandatory monthly fee collected from all residential property owners. The combined monthly fee as of January 1, 2012 is as follows:

\$94.00 - Community Association base assessment

\$20.00 - Assembly base assessment

\$114.00 total, **plus** a separate mandatory monthly Telecommunications Fee

The mandatory monthly Telecommunications Fee for residential property owners in Verrado is \$40.99 per month for Cox High Speed Internet capability – a special bulk-rate discount off the regular retail price for Verrado residents. Other services provided by Cox Communications, such as telephone and cable TV, are separate and determined by each resident's unique needs; arrangements for additional services must be made directly with Cox.

In addition to the above fees, homes in certain neighborhoods may be subject to additional monthly Service Area Assessments levied to pay expenses incurred for benefits or services provided by the Community Association for certain portions of the Community that are not common to all owners.

*Note: Other assessments and fees may be applicable as delineated in the governing documents. All assessments and fees, as of January 1, 2012, are subject to change in accordance with the governing documents. Special use and consumption fees may be required for certain amenities, programs, events and activities. Please see the 2012 Verrado Assembly/Verrado Community Association Fee Schedule.**

DESIGN GUIDELINES

To ensure that the character of Verrado remains true to its vision, and to maintain consistency in the quality of improvements within Verrado, Design Review is a mandatory approval process for owners that want to change or modify the exterior of their home. Design Review in Verrado is detailed in a document, *Residential Design Guidelines*.^{*} Prior approval must be obtained from the Design Review Committee, as outlined in the Charter, before any exterior changes or modifications are made.

In addition to the *Residential Design Guidelines*, custom home/homesite owners should also refer to the *Custom Home Design Guidelines* and *Custom Home Design Guidelines – Regent Hills*.^{*} All of these Guidelines may be amended periodically.

Note: It is the goal of the Community Association to get all exterior home modifications in compliance. Effective January 1, 2012, homeowners who do not adhere to the Community Association's Design Review process for exterior home modifications are subject to a \$250.00 Retroactive Design Review Application Fee that may be removed if the approved modifications are made within 30 days to meet our community standards.

GOVERNING DOCUMENTS

The Charter and the Covenant for Verrado have been drafted in accordance with Arizona regulations regarding the establishment of non-profit organizations, and cannot be changed without a specific vote by Verrado property owners. If approved, these changes become amendments and are recorded with the Maricopa County Recorder's Office. Please be advised that failure to abide by the governing documents can result in specified legal remedies and/or a fine. The *Bylaws*^{*} outline the manner in which the Community Association and the Assembly should be overseen and govern internal affairs such as voting, elections and meetings.

^{*}All current governing documents, including amendments and supplements, and also all current financial documents, including budgets, fee schedules, and financial statements, are available on verrado.net.
